Levelers

These industrial-strength base levelers are designed to screw into the bottom of table legs to create a balanced system while protecting the office floors from scratches.

Base Leveler Details:

Adjustment	17mm Hex Nut
Height	47mm (1 7/8")
Material	Thread: Steel; Foot: Plastic

Wire Management

Cable clutter is one of the biggest workplace annoyance. Removing or relocating a cord from a tangled cable batch is one of the toughest jobs. Don't even mention the messy look or the office hazard where you trip over the cords all the time. Formaspace Contract offers hinged covered wiring duct with removable duct covers that attach to desking systems to organize the cable mess underneath and give the offices a cleaner look.

Specifications:

- Made of rigid pvc
- Rated for continuous use temperatures up to 50°C (122°F)
- UL94 flammability rating V-0
- Provided with standard mounting holes
- Cover flush with base provides greater wire capacity and improves aesthetics
- Easy cover removal makes changes to wiring quick and easy
- Material: lead-free PVC/UL recognized
- Available colors: black, brown, grey and putty
- Non-slip cover design incorporates integral high friction lining to inhibit cover movement

Product Accessories

Grommet Power and Data

We live in an era where the electrical gadgets and USB controlled devices are taking over the office space. Without built-in outlets and inserts, an office desk could be considered naked or not fully functional. Embedding a power unit will complete the desk for end users. It will not only prevent the trip hazard of having exposed, loose cords, it also adds to the aesthetic appeal of the desks.

Grommets Details:

Standard Grommet

- Colors: Black
- Cut out: 3" diameter

Power Dock

- 2 Grounded AC outlet 125V 15A rating
- Colors: Black
- 10 ft. power cord
- UL Certified
- 1000 Joules of surge protection available as an option
- Cut out: 3" diameter

Power & USB Dock

- 1 Grounded AC outlet 125V 15A rating
- 2 USB charging ports with shared 4.2A charging power
- Colors: Black
- 10 ft. power cord
- UL Certified
- Cut out: 3" diameter

Recessed Dual Power & USB Unit

- 2 power outlets rated 15A/125VAC
- 2 USB charging ports with 2A charging power each, suitable for charging phones and tablets
- Flips back to a blank top in the closed position to conceal the outlets when not in use
- Colors: Black, White, Orange and Chartreuse
- 6 ft. power cord
- UL Certified
- Cut out: 4-1/2" diameter

Grommet 3" hole colors:

Black (90)

Walnut Brown (91)

Mahogany (91M)

Light Grey (92)

Navy Grey (92N)

Warm Grey (92W)

Putty (93)

Desert Sand (93D)

Pesan (93P)

White (95)

Metallic Silver (23)

Product Accessories

Monitor Mounts

Precise control of the screen angle, distance, and the height is a necessity for office ergonomics. Especially, when you are using a sit-to-stand desk, keeping the monitors at eye level every time adjusting the system on standing or seating position is a health requirement to prevent any neck and back pains. Considering that, it is strongly recommended to add the proper monitor mounts when ordering an office desk. Upon request, the number of the screens the system holds can be increased.

Monitor Mount Options:

7-Flex Articulating Monitor Mount

- Arm reaches out 23" & folds up into 3.2"
- Rotates from landscape to portrait
- Accommodates monitors weighing 4 to 28 lbs
- 15.5" vertical travel range
- Attaches surfaces up to 2.5" thick
- LCD Arm even configures to 3/8" bolt hole attachment
- Available options: clamp to desk or mount to wall
- Tilts the display back past 90° or down 45°
- Compatible with 20" and 23" Apple Cinema Monitors (additional Cinema Display VESA Mount adapter kit from Apple is required)
- Complaint with VESA 75mm x 75mm & 100mm x 100mm
- Embedded wire management
- Color: black

Dual Monitor Mount

- Capable of holding two monitors, each up to 28.5" wide (Max width is appr. 27" when curved inward)
- 14" vertical and 21.5" lateral travel range
- Accommodates two monitors each weighing 9 to 30 lbs.
- Articulation points have friction resistance adjustability
- Embedded wire management

Product Accessories

Casters

When it comes to moving heavy furniture across the office floor, it can be exhausting without having casters. Besides its main benefit of preventing injuries, it also gives office members the flexibility of collaborating with others, or regrouping based on changing office dynamics or project teams. Formaspace casters are easy to work with, and they are designed to provide the least resistance while being strong and durable. The material never leaves any marks or debris and the casters maneuver smoothly.

Specifications:

- 4" x 1.25" precision radial ball bearing, round tread urethane wheel
- Solid one-piece steel rig with Nylon 6
- Total locking pedal
- 300 lbs. capacity
