

Arbor walk is a full-height partition at 68" high providing visual privacy while acting as a protective barrier. The felt panel also provides acoustic sound-dampening properties perfect for those open office floorplans. The detailed craftsmanship of the gray felt panels and leather straps elevate the aesthetic, making this a designer favorite. Our reputation for customization is no exception here. We can apply a variety of materials to these panels and work with you to create a solution that meets all your functional and compositional goals.

- Full-height partition panels to be used between desks or in open office plans for dividing spaces.
- Steel frame
- Grey felt with leather straps (different materials are available)
- 22 powder coat finishes available
- 29 laminate options for the upper accent surface
- Protective health shield with sound-dampening properties
- Made in Austin, TX
- Custom design is available upon request.
