

Height Adjustable Conference Table

FORMASPACE
CONTRACT FURNITURE

Height Adjustable Conference Table is the epitome of the signature industrial aesthetic we are known for at Formaspace. Its heavy-duty base is reminiscent of a steel factory, complete with a hand crank that provides the additional feature of hydraulic height adjustability from 36" – 48". The UV coated white-washed Maple is a beautiful contrast to the black base and has 1000-pound weight capacity. The vintage spoked casters provide the finishing touch to this meeting solution straight out of the industrial era.

- Hand crank wheel with hydraulic height-adjustability from 36" to 48"
