

Standing Height Health Shield

The InvisiShield provides a sleek and sophisticated solution for space division. The glass option offers the additional feature of mobile communication with its dry-erase capability, while the acrylic version gives you a more cost-effective option with the same sleek look when dry-erase isn't necessary. These easy to clean panels can be customized to fit any space. When you want to maintain that open office aesthetic while adding a barrier, our InvisiShield is the obvious choice.

- Standard size is 68" H x 36" W x 18" D
- Available with casters or standard levelers
- Glass versions have a dry-erase capability
- 1/4" thick acrylic versions are excellent barrier protections but are not dry-erase compatible
- Units ship flat and require field assembly
- Custom cutout and sizes available
- Made in Austin, TX
- Custom design is available upon request.
