

Outdoor Table & Bench

This multi-purpose table makes a statement in any space. The Outdoor Table & Bench is constructed using an Accoya wood top that is UV treated for outdoor use. The powder-coated steel frame & HDPE glides ensure it is the perfect solution for any outdoor application. The industrial design is simple yet elegant, and the natural beauty of the wood will enhance any environment. This piece is no exception to our custom capabilities if you have special requirements, please let us help.
