

FOR IMMEDIATE RELEASE

Bespoke Hospitality and Height Adjustable Table

Austin, TX – June, 2024 –Bespoke Storage and Height Adjustable Desk was designed to create functional and inviting environments for collaboration. This innovative pairing caters specifically to on-carpet workspaces, ensuring that modern offices can thrive with enhanced productivity and organization.

The thoughtful layout of the Bespoke Storage Unit and Height Adjustable Desk facilitates seamless interaction and communication among colleagues, making it easier to work together efficiently.

With the integrated Bespoke Storage Unit, users have ample space to organize their work materials, ensuring that their workspace remains clutter-free and conducive to productivity.

The combination of these two pieces helps define and separate collaborative areas within open work environments, fostering a sense of focus and allowing for both group work and individual tasks to be carried out effectively.

Formaspace's signature design balances a touch of warmth, which is often desired in collaborative environments, with an industrial edge, creating a unique, versatile and, inviting aesthetic that enhances any office setting

The option to integrate a monitor arm allows for a clean and organized workspace, keeping technology within easy reach and further streamlining the work process.

The Bespoke Storage Unit and Height Adjustable Desk are the ideal solutions for creating efficient, organized, and visually appealing workspaces that support both individual and collaborative work.

About Formaspace

Formaspace is an American manufacturer of laboratory, industrial, higher education, and office furniture, located in Austin, TX, with experience that spans over 40 years. Their focus on innovation, efficient solutions, and cost-saving manufacturing processes has solidified their reputation as a trusted and unique partner in the industry for mass-produced highly customized products with on-time and on-budget projects.
