

DEFCON-2

Counter Sneeze Guard

DEFCON-2 is perfect for businesses that have face-to-face interactions with customers on a daily basis. This sneeze guard design aids in protecting the health and safety of employees & customers by reducing the transmission of any airborne germs that could lead to illness. Installing DEFCON-2 will not only protect employees and customers from airborne pathogenic organisms but also reduce the risk of spreading COVID-19 or other airborne viruses.

- Made from clear 1/4" thick acrylic
- Aluminum frame and legs
- 22 different leg & frame finishes available
- Easy to clean & sanitize
- Lightweight
- Standard pass-through slot (extra for additional cuts)
